SENATE BILL No. 114

DIGEST OF SB 114 (Updated January 24, 2008 3:43 pm - DI 87)

Citations Affected: IC 6-1.1; IC 13-18; IC 36-4; IC 36-5; IC 36-9; noncode.

Synopsis: Annexation. Allows a municipality to initiate an annexation only if: (1) the territory is noncontiguous and occupied by a municipally owned or operated airport or landing field, sanitary landfill, golf course, or hospital or is to be used for an industrial park and is owned by the municipality or by a property owner who consents to the annexation; (2) the land is contiguous agricultural land and owned by a property owner who consents to the annexation; or (3) all property owners in the territory provide written consent to the annexation. Prohibits a municipality from annexing a lake or pond of at least 20 acres unless the entire boundary of the municipality surrounds the lake or pond. Requires an annexation fiscal plan to be approved by the department of local government finance (department), after a hearing, before the municipality adopts an annexation ordinance. Allows the department to consider the written fiscal plan and information presented at the hearing. Prohibits a municipality from amending a fiscal plan after the plan is approved by the department. Allows a town to annex territory within three miles of a city without first obtaining the consent of the city. Provides that a waiver or release

of the right of remonstrance against annexation: (1) is not a covenant that runs with the land or is binding on the successors in title to the real property; and (2) expires three years after the date the waiver or release is executed. With respect to an excessive levy appeal based on increased costs to a civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the unit to additional geographic areas or persons: (1) eliminates the restriction against an appeal after 2009; (2) allows an appeal in the first year increased costs are incurred and the immediately succeeding four years; and (3) makes the excessive levy for a year a permanent part of the unit's maximum permissible levy for succeeding years. Provides that an annexation ordinance that was adopted after December 31, 2006, and has not taken effect, is void if the most recent examination report of the municipality by the state board of accounts finds that the municipality failed to observe a uniform compliance guideline or a specific law. Provides that territory may incorporate as a town without obtaining the consent of a city within a certain distance of its proposed boundaries, if the proposed town has an assessed value of at least \$750,000,000 as shown by the most recent assessment. Prohibits a municipality from adopting an annexation ordinance, other than an ordinance petitioned for by landowners, after January 1, 2008, and before July 1, 2008. Repeals a provision that requires a town to obtain the consent of a city before annexing territory within three miles of the city.

SENATE BILL No. 114

A BILL FOR AN ACT to amend the Indiana Code concerning local government.

Be it enacted by the General Assembly of the State of Indiana:

- 1 SECTION 1. IC 6-1.1-18.5-3, AS AMENDED BY P.L.224-2007,
2 SECTION 20, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
3 JULY 1, 2008]: Sec. 3. (a) Except as otherwise provided in this chapter
4 and IC 6-3.5-8-12, a civil taxing unit that is treated as not being located
5 in an adopting county under section 4 of this chapter may not impose
6 an ad valorem property tax levy for an ensuing calendar year that
7 exceeds the amount determined in the last STEP of the following
8 STEPS:
9 STEP ONE: Add the civil taxing unit's maximum permissible ad
10 valorem property tax levy for the preceding calendar year to the
11 part of the civil taxing unit's certified share, if any, that was used
12 to reduce the civil taxing unit's ad valorem property tax levy under
13 STEP EIGHT of subsection (b) for that preceding calendar year.
14 STEP TWO: Multiply the amount determined in STEP ONE by
15 the amount determined in the last STEP of section 2(b) of this
16 chapter.
17 STEP THREE: Determine the lesser of one and fifteen hundredths

(1.15) or the quotient (rounded to the nearest ten-thousandth (0.0001)), of the assessed value of all taxable property subject to the civil taxing unit's ad valorem property tax levy for the ensuing calendar year, divided by the assessed value of all taxable property that is subject to the civil taxing unit's ad valorem property tax levy for the ensuing calendar year and that is contained within the geographic area that was subject to the civil taxing unit's ad valorem property tax levy in the preceding calendar year.

STEP FOUR: Determine the greater of the amount determined in STEP THREE or one (1).

STEP FIVE: Multiply the amount determined in STEP TWO by the amount determined in STEP FOUR.

STEP SIX: Add the amount determined under STEP TWO to the amount determined under subsection (c).

STEP SEVEN: Determine the greater of the amount determined under STEP FIVE or the amount determined under STEP SIX.

(b) Except as otherwise provided in this chapter and IC 6-3.5-8-12, a civil taxing unit that is treated as being located in an adopting county under section 4 of this chapter may not impose an ad valorem property tax levy for an ensuing calendar year that exceeds the amount determined in the last STEP of the following STEPS:

STEP ONE: Add the civil taxing unit's maximum permissible ad valorem property tax levy for the preceding calendar year to the part of the civil taxing unit's certified share, if any, used to reduce the civil taxing unit's ad valorem property tax levy under STEP EIGHT of this subsection for that preceding calendar year.

STEP TWO: Multiply the amount determined in STEP ONE by the amount determined in the last STEP of section 2(b) of this chapter.

STEP THREE: Determine the lesser of one and fifteen hundredths (1.15) or the quotient of the assessed value of all taxable property subject to the civil taxing unit's ad valorem property tax levy for the ensuing calendar year divided by the assessed value of all taxable property that is subject to the civil taxing unit's ad valorem property tax levy for the ensuing calendar year and that is contained within the geographic area that was subject to the civil taxing unit's ad valorem property tax levy in the preceding calendar year.

STEP FOUR: Determine the greater of the amount determined in STEP THREE or one (1).

STEP FIVE: Multiply the amount determined in STEP TWO by

C

the amount determined in STEP FOUR.

STEP SIX: Add the amount determined under STEP TWO to the amount determined under subsection (c).

STEP SEVEN: Determine the greater of the amount determined under STEP FIVE or the amount determined under STEP SIX.

STEP EIGHT: Subtract the amount determined under STEP FIVE of subsection (e) from the amount determined under STEP SEVEN of this subsection.

(c) The amount to be entered under STEP SIX of subsection (a) or STEP SIX of subsection (b), as applicable, equals the sum of the following:

(1) If a civil taxing unit in the immediately preceding calendar year provided an area outside its boundaries with services on a contractual basis and in the ensuing calendar year that area has been annexed by the civil taxing unit, ~~the amount to be entered under STEP SIX of subsection (a) or STEP SIX of subsection (b); as the case may be,~~ equals the amount paid by the annexed area during the immediately preceding calendar year for services that the civil taxing unit must provide to that area during the ensuing calendar year as a result of the annexation.

(2) If the civil taxing unit has had an excessive levy appeal approved under section 13(1) of this chapter for the ensuing calendar year, an amount determined by the civil taxing unit for the ensuing calendar year that does not exceed the amount of that excessive levy.

In all other cases, the amount to be entered under STEP SIX of subsection (a) or STEP SIX of subsection (b), as the case may be, equals zero (0).

(d) This subsection applies only to civil taxing units located in a county having a county adjusted gross income tax rate for resident county taxpayers (as defined in IC 6-3.5-1.1-1) of one percent (1%) as of January 1 of the ensuing calendar year. For each civil taxing unit, the amount to be added to the amount determined in subsection (e), STEP FOUR, is determined using the following formula:

STEP ONE: Multiply the civil taxing unit's maximum permissible ad valorem property tax levy for the preceding calendar year by two percent (2%).

STEP TWO: For the determination year, the amount to be used as the STEP TWO amount is the amount determined in subsection (f) for the civil taxing unit. For each year following the determination year the STEP TWO amount is the lesser of:

(A) the amount determined in STEP ONE; or

C
o
p
y

1 (B) the amount determined in subsection (f) for the civil taxing
 2 unit.
 3 STEP THREE: Determine the greater of:
 4 (A) zero (0); or
 5 (B) the civil taxing unit's certified share for the ensuing
 6 calendar year minus the greater of:
 7 (i) the civil taxing unit's certified share for the calendar year
 8 that immediately precedes the ensuing calendar year; or
 9 (ii) the civil taxing unit's base year certified share.
 10 STEP FOUR: Determine the greater of:
 11 (A) zero (0); or
 12 (B) the amount determined in STEP TWO minus the amount
 13 determined in STEP THREE.
 14 Add the amount determined in STEP FOUR to the amount determined
 15 in subsection (e), STEP THREE, as provided in subsection (e), STEP
 16 FOUR.
 17 (e) For each civil taxing unit, the amount to be subtracted under
 18 subsection (b), STEP EIGHT, is determined using the following
 19 formula:
 20 STEP ONE: Determine the lesser of the civil taxing unit's base
 21 year certified share for the ensuing calendar year, as determined
 22 under section 5 of this chapter, or the civil taxing unit's certified
 23 share for the ensuing calendar year.
 24 STEP TWO: Determine the greater of:
 25 (A) zero (0); or
 26 (B) the remainder of:
 27 (i) the amount of federal revenue sharing money that was
 28 received by the civil taxing unit in 1985; minus
 29 (ii) the amount of federal revenue sharing money that will be
 30 received by the civil taxing unit in the year preceding the
 31 ensuing calendar year.
 32 STEP THREE: Determine the lesser of:
 33 (A) the amount determined in STEP TWO; or
 34 (B) the amount determined in subsection (f) for the civil taxing
 35 unit.
 36 STEP FOUR: Add the amount determined in subsection (d),
 37 STEP FOUR, to the amount determined in STEP THREE.
 38 STEP FIVE: Subtract the amount determined in STEP FOUR
 39 from the amount determined in STEP ONE.
 40 (f) As used in this section, a taxing unit's "determination year"
 41 means the latest of:
 42 (1) calendar year 1987, if the taxing unit is treated as being

C
o
p
y

located in an adopting county for calendar year 1987 under section 4 of this chapter;

(2) the taxing unit's base year, as defined in section 5 of this chapter, if the taxing unit is treated as not being located in an adopting county for calendar year 1987 under section 4 of this chapter; or

(3) the ensuing calendar year following the first year that the taxing unit is located in a county that has a county adjusted gross income tax rate of more than one-half percent (0.5%) on July 1 of that year.

The amount to be used in subsections (d) and (e) for a taxing unit depends upon the taxing unit's certified share for the ensuing calendar year, the taxing unit's determination year, and the county adjusted gross income tax rate for resident county taxpayers (as defined in IC 6-3.5-1.1-1) that is in effect in the taxing unit's county on July 1 of the year preceding the ensuing calendar year. For the determination year and the ensuing calendar years following the taxing unit's determination year, the amount is the taxing unit's certified share for the ensuing calendar year multiplied by the appropriate factor prescribed in the following table:

COUNTIES WITH A TAX RATE OF 1/2%

Year	Subsection (e) Factor
For the determination year and each ensuing calendar year following the determination year	0

COUNTIES WITH A TAX RATE OF 3/4%

Year	Subsection (e) Factor
For the determination year and each ensuing calendar year following the determination year	1/2

COUNTIES WITH A TAX RATE OF 1.0%

Year	Subsection (d) Factor	Subsection (e) Factor
For the determination year	1/6	1/3
For the ensuing calendar year following the determination year	1/4	1/3
For the ensuing calendar year following the determination year by two (2) years	1/3	1/3

(g) This subsection applies only to property taxes first due and payable after December 31, 2007. This subsection applies only to a civil taxing unit that is located in a county for which a county adjusted

gross income tax rate is first imposed or is increased in a particular year under IC 6-3.5-1.1-24 or a county option income tax rate is first imposed or is increased in a particular year under IC 6-3.5-6-30. Notwithstanding any provision in this section or any other section of this chapter and except as provided in subsection (h), the maximum permissible ad valorem property tax levy calculated under this section for the ensuing calendar year for a civil taxing unit subject to this section is equal to the civil taxing unit's maximum permissible ad valorem property tax levy for the current calendar year.

(h) This subsection applies only to property taxes first due and payable after December 31, 2007. In the case of a civil taxing unit that:

(1) is partially located in a county for which a county adjusted gross income tax rate is first imposed or is increased in a particular year under IC 6-3.5-1.1-24 or a county option income tax rate is first imposed or is increased in a particular year under IC 6-3.5-6-30; and

(2) is partially located in a county that is not described in subdivision (1);

the department of local government finance shall, notwithstanding subsection (g), adjust the portion of the civil taxing unit's maximum permissible ad valorem property tax levy that is attributable (as determined by the department of local government finance) to the county or counties described in subdivision (2). The department of local government finance shall adjust this portion of the civil taxing unit's maximum permissible ad valorem property tax levy so that, notwithstanding subsection (g), this portion is allowed to increase as otherwise provided in this section. If the department of local government finance increases the civil taxing unit's maximum permissible ad valorem property tax levy under this subsection, any additional property taxes imposed by the civil taxing unit under the adjustment shall be paid only by the taxpayers in the county or counties described in subdivision (2).

SECTION 2. IC 6-1.1-18.5-13, AS AMENDED BY P.L.196-2007, SECTION 2, AND AS AMENDED BY P.L.224-2007, SECTION 25, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: Sec. 13. With respect to an appeal filed under section 12 of this chapter, the local government tax control board *(before January 1, 2009) or the county board of tax and capital projects review (after December 31, 2008)* may recommend that a civil taxing unit receive any one (1) or more of the following types of relief:

(1) ~~A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2009.~~

C

Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if in the judgment of the local government tax control board the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas or persons. **With respect to annexation, consolidation, or other extensions of governmental services in a calendar year, if those increased costs are incurred by the civil taxing unit in that calendar year and more than one (1) immediately succeeding calendar year, the unit may appeal under section 12 of this chapter for permission to increase its levy under this subdivision based on those increased costs in any of the following:**

(A) The first calendar year in which those costs are incurred.

(B) One (1) or more of the immediately succeeding four (4) calendar years.

(2) *A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2009.*

Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December 31, 1973. Before recommending such an increase, the local government tax control board shall consider all other revenues available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's estimate of the unit's share of the costs of operating a court for the first full calendar year in which it is in existence. For purposes of this subdivision, costs of operating a court include:

(A) the cost of personal services (including fringe benefits);

(B) the cost of supplies; and

(C) any other cost directly related to the operation of the court.

(3) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and two-hundredths (1.02):

C
o
p
y

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property *or the initial annual adjustment of the assessed value of real property under IC 6-1.1-4-4.5* does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the civil taxing unit's total assessed value of all taxable property and the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar year, divided by the sum of the civil taxing unit's total assessed value of all taxable property and the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the total assessed value of all taxable property in all counties and the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar year, divided by the sum of the total assessed value of all taxable property in all counties and the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 of this chapter based on the assessed value growth quotient determined under section 2 of this chapter.

(4) *A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2009.*

Permission to the civil taxing unit to increase its levy in excess of

C

the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to pay the costs of furnishing fire protection for the civil taxing unit through a volunteer fire department. For purposes of determining a township's need for an increased levy, the local government tax control board shall not consider the amount of money borrowed under IC 36-6-6-14 during the immediately preceding calendar year. However, any increase in the amount of the civil taxing unit's levy recommended by the local government tax control board under this subdivision for the ensuing calendar year may not exceed the lesser of:

(A) ten thousand dollars (\$10,000); or

(B) twenty percent (20%) of:

(i) the amount authorized for operating expenses of a volunteer fire department in the budget of the civil taxing unit for the immediately preceding calendar year; plus

(ii) the amount of any additional appropriations authorized during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department under this chapter; minus

(iii) the amount of money borrowed under IC 36-6-6-14 during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department.

(5) *A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2009.*

Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter in order to raise revenues for pension payments and contributions the civil taxing unit is required to make under IC 36-8. The maximum increase in a civil taxing unit's levy that may be recommended under this subdivision for an ensuing calendar year equals the amount, if any, by which the pension payments and contributions the civil taxing unit is required to make under IC 36-8 during the ensuing calendar year exceeds the product of one and one-tenth (1.1) multiplied by the pension payments and contributions made by the civil taxing unit under IC 36-8 during the calendar year that immediately precedes the ensuing calendar year. For purposes of this subdivision, "pension payments and contributions made by a civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state.

(6) *A levy increase may not be granted under this subdivision for*

C

1 *property taxes first due and payable after December 31, 2009.*
 2 Permission to increase its levy in excess of the limitations
 3 established under section 3 of this chapter if the local government
 4 tax control board finds that:

5 (A) the township's township assistance ad valorem property
 6 tax rate is less than one and sixty-seven hundredths cents
 7 (\$0.0167) per one hundred dollars (\$100) of assessed
 8 valuation; and

9 (B) the township needs the increase to meet the costs of
 10 providing township assistance under IC 12-20 and IC 12-30-4.
 11 The maximum increase that the board may recommend for a
 12 township is the levy that would result from an increase in the
 13 township's township assistance ad valorem property tax rate of
 14 one and sixty-seven hundredths cents (\$0.0167) per one hundred
 15 dollars (\$100) of assessed valuation minus the township's ad
 16 valorem property tax rate per one hundred dollars (\$100) of
 17 assessed valuation before the increase.

18 *(7) A levy increase may not be granted under this subdivision for*
 19 *property taxes first due and payable after December 31, 2009.*

20 Permission to a civil taxing unit to increase its levy in excess of
 21 the limitations established under section 3 of this chapter if:

22 (A) the increase has been approved by the legislative body of
 23 the municipality with the largest population where the civil
 24 taxing unit provides public transportation services; and

25 (B) the local government tax control board finds that the civil
 26 taxing unit needs the increase to provide adequate public
 27 transportation services.

28 The local government tax control board shall consider tax rates
 29 and levies in civil taxing units of comparable population, and the
 30 effect (if any) of a loss of federal or other funds to the civil taxing
 31 unit that might have been used for public transportation purposes.
 32 However, the increase that the board may recommend under this
 33 subdivision for a civil taxing unit may not exceed the revenue that
 34 would be raised by the civil taxing unit based on a property tax
 35 rate of one cent (\$0.01) per one hundred dollars (\$100) of
 36 assessed valuation.

37 *(8) A levy increase may not be granted under this subdivision for*
 38 *property taxes first due and payable after December 31, 2009.*

39 Permission to a civil taxing unit to increase the unit's levy in
 40 excess of the limitations established under section 3 of this
 41 chapter if the local government tax control board finds that:

42 (A) the civil taxing unit is:

C
o
p
y

(i) a county having a population of more than one hundred forty-eight thousand (148,000) but less than one hundred seventy thousand (170,000);

(ii) a city having a population of more than fifty-five thousand (55,000) but less than fifty-nine thousand (59,000);

(iii) a city having a population of more than twenty-eight thousand seven hundred (28,700) but less than twenty-nine thousand (29,000);

(iv) a city having a population of more than fifteen thousand four hundred (15,400) but less than sixteen thousand six hundred (16,600); or

(v) a city having a population of more than seven thousand (7,000) but less than seven thousand three hundred (7,300);

and

(B) the increase is necessary to provide funding to undertake removal (as defined in IC 13-11-2-187) and remedial action (as defined in IC 13-11-2-185) relating to hazardous substances (as defined in IC 13-11-2-98) in solid waste disposal facilities or industrial sites in the civil taxing unit that have become a menace to the public health and welfare.

The maximum increase that the local government tax control board may recommend for such a civil taxing unit is the levy that would result from a property tax rate of six and sixty-seven hundredths cents (\$0.0667) for each one hundred dollars (\$100) of assessed valuation. For purposes of computing the ad valorem property tax levy limit imposed on a civil taxing unit under section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular year does not include that part of the levy imposed under this subdivision. In addition, a property tax increase permitted under this subdivision may be imposed for only two (2) calendar years.

(9) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2009.

Permission for a county:

(A) having a population of more than eighty thousand (80,000) but less than ninety thousand (90,000) to increase the county's levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the county needs the increase to meet the county's share of the costs of operating a jail or juvenile detention center, including expansion of the facility, if the jail or juvenile detention center is opened after December 31, 1991;

**C
O

(B) that operates a county jail or juvenile detention center that is subject to an order that:

- (i) was issued by a federal district court; and
- (ii) has not been terminated;

(C) that operates a county jail that fails to meet:

- (i) American Correctional Association Jail Construction Standards; and
- (ii) Indiana jail operation standards adopted by the department of correction; or

(D) that operates a juvenile detention center that fails to meet standards equivalent to the standards described in clause (C) for the operation of juvenile detention centers.

Before recommending an increase, the local government tax control board shall consider all other revenues available to the county that could be applied for that purpose. An appeal for operating funds for a jail or a juvenile detention center shall be considered individually, if a jail and juvenile detention center are both opened in one (1) county. The maximum aggregate levy increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or a juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

(10) *A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2009.* Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

**C
o
p
y**

(11) *A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2009.*

Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township has been required, for the three (3) consecutive years preceding the year for which the appeal under this subdivision is to become effective, to borrow funds under IC 36-6-6-14 to furnish fire protection for the township or a part of the township. However, the maximum increase in a township's levy that may be allowed under this subdivision is the least of the amounts borrowed under IC 36-6-6-14 during the preceding three (3) calendar years. A township may elect to phase in an approved increase in its levy under this subdivision over a period not to exceed three (3) years. A particular township may appeal to increase its levy under this section not more frequently than every fourth calendar year.

(12) *A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2009.*

(b) An ordinance ~~described in subsection (d) or adopted under section 3; 4; 5 or 5.1 of this chapter~~ may not take effect during the year preceding a year in which a federal decennial census is conducted. An ordinance that would otherwise take effect during the year preceding a year in which a federal decennial census is conducted takes effect January 2 of the year in which a federal decennial census is conducted.

(c) Subsections (d) and (e) apply to fire protection districts that are established after June 14, 1987.

(d) Except as provided in subsection (b), whenever a municipality annexes territory, all or part of which lies within a fire protection district (IC 36-8-11), the annexation ordinance (in the absence of remonstrance and appeal under section 11 or 15.5 of this chapter) takes effect the second January 1 that follows the date the ordinance is adopted and upon the filing required by section 22(a) of this chapter. The municipality shall:

(1) provide fire protection to that territory beginning the date the ordinance is effective; and

(2) send written notice to the fire protection district of the date the municipality will begin to provide fire protection to the annexed territory within ten (10) days of the date the ordinance is adopted.

(e) If the fire protection district from which a municipality annexes territory under subsection (d) is indebted or has outstanding unpaid bonds or other obligations at the time the annexation is effective, the municipality is liable for and shall pay that indebtedness in the same ratio as the assessed valuation of the property in the annexed territory (that is part of the fire protection district) bears to the assessed valuation of all property in the fire protection district, as shown by the most recent assessment for taxation before the annexation, unless the assessed property within the municipality is already liable for the indebtedness. The annexing municipality shall pay its indebtedness under this section to the board of fire trustees. If the indebtedness consists of outstanding unpaid bonds or notes of the fire protection district, the payments to the board of fire trustees shall be made as the principal or interest on the bonds or notes becomes due.

SECTION 15. IC 36-4-3-7.2 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: **Sec. 7.2. (a) This section applies to an annexation ordinance adopted after December 31, 2006.**

(b) If the most recent examination report of a municipality under IC 5-11-1-25 is critical of the municipality based upon the municipality's failure to observe a uniform compliance guideline or a specific law as set forth in IC 5-11-5-1, any annexation ordinance that has:

(1) been adopted by the municipality; and

(2) not taken effect;

is void.

(c) If an annexation ordinance is void under this section, a municipality is not prohibited under section 15 of this chapter from further annexation attempts. However, a municipality may not make any further annexation attempts until the municipality is issued an examination report under IC 5-11-1-25 that is not critical of the municipality as described in subsection (b).

SECTION 16. IC 36-4-3-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: **Sec. 8. (a) This section does not apply to an ordinance adopted under section 5 or 5.1 of this chapter.**

(b) An ordinance adopted under section 3 or 4 of this chapter described in section 1.7(a) of this chapter must include terms and conditions fairly calculated to make the annexation equitable to the property owners and residents of the municipality and the annexed territory. The terms and conditions may include:

(1) postponing the effective date of the annexation for not more than three (3) years; and

(2) establishing equitable provisions for the future management and improvement of the annexed territory and for the rendering of needed services.

(c) This subsection applies to territory sought to be annexed that meets all of the following requirements:

(1) The resident population density of the territory is at least three (3) persons per acre.

(2) The territory is subdivided or is parceled through separate ownerships into lots or parcels such that at least sixty percent (60%) of the total number of lots and parcels are not more than

C

one (1) acre.

This subsection does not apply to an ordinance annexing territory described in section 4(a)(2), 4(a)(3), 4(b), or 4(h) of this chapter. The ordinance must include terms and conditions impounding in a special fund all of the municipal property taxes imposed on the annexed territory after the annexation takes effect that are not used to meet the basic services described in section 13(d)(4) and 13(d)(5) of this chapter for a period of at least three (3) years. The impounded property taxes must be used to provide additional services that were not specified in the plan of annexation. The impounded property taxes in the fund shall be expended as set forth in this section, not later than five (5) years after the annexation becomes effective.

SECTION 17. IC 36-4-3-11, AS AMENDED BY P.L.111-2005, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: Sec. 11. (a) Except as provided in ~~section 5.1(i) of this chapter and subsections (d) and (e)~~, **subsection (d)**, whenever territory is annexed by a municipality under this chapter, the annexation may be appealed by filing with the circuit or superior court of a county in which the annexed territory is located a written remonstrance signed by:

- (1) at least ~~sixty-five percent (65%)~~ **fifty-one percent (51%)** of the owners of land in the annexed territory; or
- (2) the owners of more than seventy-five percent (75%) in assessed valuation of the land in the annexed territory.

The remonstrance must be filed within ninety (90) days after the publication of the annexation ordinance under section 7 of this chapter, must be accompanied by a copy of that ordinance, and must state the reason why the annexation should not take place.

(b) On receipt of the remonstrance, the court shall determine whether the remonstrance has the necessary signatures. In determining the total number of landowners of the annexed territory and whether signers of the remonstrance are landowners, the names appearing on the tax duplicate for that territory constitute prima facie evidence of ownership. Only one (1) person having an interest in each single property, as evidenced by the tax duplicate, is considered a landowner for purposes of this section.

(c) If the court determines that the remonstrance is sufficient, it shall fix a time, within sixty (60) days of its determination, for a hearing on the remonstrance. Notice of the proceedings, in the form of a summons, shall be served on the annexing municipality. The municipality is the defendant in the cause and shall appear and answer.

(d) If an annexation is initiated by property owners under section 5.1

C

of this chapter and all property owners within the area to be annexed petition the municipality to be annexed, a remonstrance to the annexation may not be filed under this section.

(e) This subsection applies if:

(1) the territory to be annexed consists of not more than one hundred (100) parcels; and

(2) eighty percent (80%) of the boundary of the territory proposed to be annexed is contiguous to the municipality.

An annexation may be appealed by filing with the circuit or superior court of a county in which the annexed territory is located a written remonstrance signed by at least seventy-five percent (75%) of the owners of land in the annexed territory as determined under subsection (b).

SECTION 18. IC 36-4-3-11.4 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: **Sec. 11.4. (a) This section applies to a waiver of the right of remonstrance against annexation executed after June 30, 2008.**

(b) As used in this section, "waiver" refers to a waiver of the right of remonstrance against annexation.

(c) Notwithstanding any other law, a waiver executed by a purchaser or owner of real property is not:

(1) a covenant that runs with the land; or

(2) binding on the purchaser's or owner's successors in title to the real property.

(d) A waiver expires three (3) years after the date the waiver is executed.

SECTION 19. IC 36-4-3-13, AS AMENDED BY P.L.111-2005, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: **Sec. 13. C

(c) The requirements of this subsection are met if the evidence establishes the following:

(1) That the territory sought to be annexed is contiguous to the municipality as required by section 1.5 of this chapter, except that at least one-fourth (1/4), instead of one-eighth (1/8), of the aggregate external boundaries of the territory sought to be annexed must coincide with the boundaries of the municipality.

(2) That the territory sought to be annexed is needed and can be used by the municipality for its development in the reasonably near future.

(d) The requirements of this subsection are met if the evidence establishes that the municipality has developed and adopted a written fiscal plan and has established a definite policy by resolution of the legislative body as set forth in section 3.1 of this chapter. **The fiscal plan must be approved by the department under section 6.5 of this chapter before the municipality may adopt an annexation ordinance.** The fiscal plan must show the following:

(1) The cost estimates of planned services to be furnished to the territory to be annexed. The plan must present itemized estimated costs for each municipal department or agency.

(2) The method or methods of financing the planned services. The plan must explain how specific and detailed expenses will be funded and must indicate the taxes, grants, and other funding to be used.

(3) The plan for the organization and extension of services. The plan must detail the specific services that will be provided and the dates the services will begin.

(4) That planned services of a noncapital nature, including police protection, fire protection, street and road maintenance, and other noncapital services normally provided within the corporate boundaries, will be provided to the annexed territory within one (1) year after the effective date of annexation and that they will be provided in a manner equivalent in standard and scope to those noncapital services provided to areas within the corporate boundaries regardless of similar topography, patterns of land use, and population density.

(5) That services of a capital improvement nature, including street construction, street lighting, sewer facilities, water facilities, and stormwater drainage facilities, will be provided to the annexed

territory within three (3) years after the effective date of the annexation in the same manner as those services are provided to areas within the corporate boundaries, regardless of similar topography, patterns of land use, and population density, and in a manner consistent with federal, state, and local laws, procedures, and planning criteria.

(e) At the hearing under section 12 of this chapter, the court shall do the following:

(1) Consider evidence on the conditions listed in subdivision (2).

(2) Order a proposed annexation not to take place if the court finds that all of the conditions set forth in clauses (A) through ~~(D)~~ and, if applicable, clause ~~(E)~~ (C) exist in the territory proposed to be annexed:

(A) The following services are adequately furnished by a provider other than the municipality seeking the annexation:

(i) Police and fire protection.

(ii) Street and road maintenance.

(B) The annexation will have a significant financial impact on the residents or owners of land.

~~(C)~~ The annexation is not in the best interests of the owners of land in the territory proposed to be annexed as set forth in subsection (f):

~~(D)~~ (C) One (1) of the following opposes the annexation:

(i) At least ~~sixty-five percent (65%)~~ **fifty-one percent (51%)** of the owners of land in the territory proposed to be annexed.

(ii) The owners of more than seventy-five percent (75%) in assessed valuation of the land in the territory proposed to be annexed.

Evidence of opposition may be expressed by any owner of land in the territory proposed to be annexed.

~~(E)~~ This clause applies only to an annexation in which eighty percent (80%) of the boundary of the territory proposed to be annexed is contiguous to the municipality and the territory consists of not more than one hundred (100) parcels. At least ~~seventy-five percent (75%)~~ of the owners of land in the territory proposed to be annexed oppose the annexation as determined under section 11(b) of this chapter.

(f) The municipality under subsection (e)(2)(C) bears the burden of proving that the annexation is in the best interests of the owners of land in the territory proposed to be annexed. In determining this issue, the court may consider whether the municipality has extended sewer or

C

1 water services to the entire territory to be annexed:

2 (1) within the three (3) years preceding the date of the
3 introduction of the annexation ordinance; or

4 (2) under a contract in lieu of annexation entered into under
5 IC 36-4-3-21.

6 The court may not consider the provision of water services as a result
7 of an order by the Indiana utility regulatory commission to constitute
8 the provision of water services to the territory to be annexed.

9 (g) (f) This subsection applies only to cities located in a county
10 having a population of more than two hundred thousand (200,000) but
11 less than three hundred thousand (300,000). However, this subsection
12 does not apply if on April 1, 1993, the entire boundary of the territory
13 that is proposed to be annexed was contiguous to territory that was
14 within the boundaries of one (1) or more municipalities. At the hearing
15 under section 12 of this chapter, the court shall do the following:

16 (1) Consider evidence on the conditions listed in subdivision (2).

17 (2) Order a proposed annexation not to take place if the court
18 finds that all of the following conditions exist in the territory
19 proposed to be annexed:

20 (A) The following services are adequately furnished by a
21 provider other than the municipality seeking the annexation:

22 (i) Police and fire protection.

23 (ii) Street and road maintenance.

24 (B) The annexation will have a significant financial impact on
25 the residents or owners of land.

26 (C) One (1) of the following opposes the annexation:

27 (i) A majority of the owners of land in the territory proposed
28 to be annexed.

29 (ii) The owners of more than seventy-five percent (75%) in
30 assessed valuation of the land in the territory proposed to be
31 annexed.

32 Evidence of opposition may be expressed by any owner of land
33 in the territory proposed to be annexed.

34 (h) (g) The most recent:

35 (1) federal decennial census;

36 (2) federal special census;

37 (3) special tabulation; or

38 (4) corrected population count;

39 shall be used as evidence of resident population density for purposes
40 of subsection (b)(2)(A), but this evidence may be rebutted by other
41 evidence of population density.
